ABOUT ROB :

I primarily work with visionary CEOs and owners of \$5M - \$200M companies (15 - 2000 employees) who have a bigger vision than they have been able to obtain to-date. They possess an action oriented fearless belief in self, are humble, love learning and embrace accountability to grow personally & corporately.

My purpose is to help my clients achieve clarity and true fulfillment in their lives. I do this by asking questions that no one has previously asked, providing a knowledgeable outside perspective, accountability they need to be at their best, and being a confidant with whom they can trust their deepest fears and challenges, because it is lonely at the top.

Being a business owner should be an exciting, fulfilling, liberating experience where you can not only help your family but many others within your community. [Message me](#) if I can be a resource for you!

~Jeremiah Rivers, CEO
Rivers' Edge Countertops, Inc.

“I started using Rob Garibay as my business coach. I had my doubts, as this was my 7th business and you start to think you know all of this already. Boy was I wrong! [To my surprise and delight, with Rob's help, my sales increased 125% in the FIRST SIX MONTHS!](#) Rob is professional, thorough, caring and always goes above and beyond to do whatever he can to help make your business a success.”
